

MOTHERDAY IS COMING

The Universal Wonderful Street Academy would like to assist you to send lovely greetings to your mother.

Fill out one of our hand made cards, give us the posting address of your mother, anywhere in the world, and we make sure that it reaches your mother (be aware that cards outside of Europe, might reach a little late).

This service, including the card and posting, and a donation or our work with street children in Ghana, costs you 111 Ghana cedi.

If you only want to buy our cards, each card is 15 cedi.

The cards can be filled out until the 23rd of April at the German internationl school Accra.

Thank you for your support.
